**Section C:** Names of all children in your family who will be attending the college during 2018/19 school year. This information allows us to link your children together for text messaging and for applying sibling exemptions on the MIT payment system.

Student name	Year/Class (if known)

**Parental Voluntary Contribution - Information**

**Amount payable:**

€150 for a single student, € 220 for two siblings (exemption of €80 for 2<sup>nd</sup> child currently in the college), € 250 for three or more siblings (exemption of €120 for 3<sup>rd</sup> child and exemption of €150 for subsequent children). If this is incorrect for your family on the MIT system please pay the correct amount and write that on your returned form. We will make the necessary changes on the system once you inform us of the error. Please contact the college if you wish to pay in instalments.

TRANSITION YEAR & LEAVING CERT APPLIED PROGRAMMES. The charge for Transition Year (€400) relates totally to the programme in question and is separate from and additional to the Parental Contribution. The same holds true in respect of the book charge for the Leaving Certificate Applied Programme (€100). This college is indebted to and very grateful for the generosity of parents in providing this additional funding. The quality of the service and the educational environment is significantly improved as a result.
