

Message for students/parents – 28 Feb 22

Normal school routines and normal teaching and learning activities – increasing numbers in classrooms

Please remain home if you have any symptoms or if you have tested positive

Continue to practice good hand hygiene and respiratory hygiene

Keep school areas well ventilated, PPE still in all rooms

Wearing of face masks is now a personal choice – outdoors/crowded areas/close contact

Eat lunch in dining hall, outdoor benches or in tutor rooms – give name to tutor

Looking forward to more active/fun learning activities

Take time to transition fully – please be patient

Thanks for your resilience, flexibility, trust and hope
