

Lucan Community College – Board of Management Agreed Report

Date: 24th November 2025

The Board of Management wishes to share the following agreed points from its recent meeting:

1. Building & Extension Update

The Board noted the update on the Building and Extension project and expressed its appreciation to DDLETB and the school leadership team for their continued work in progressing Phase 1 of this development in collaboration with all stakeholders.

2. Student Care and Welfare Reporting

The Board acknowledged the introduction of a new process for reporting student care and welfare issues within the school. The Board thanked staff for their commitment to ensuring that care concerns are addressed promptly and that students continue to be supported in a caring and inclusive school environment.

3. Appointments to Leadership Roles

The Board congratulated the newly appointed Assistant Principal I and Assistant Principal II post holders and wished them every success in their new roles.

4. National Awards for Leaving Certificate Graduates

The Board noted and congratulated three recent Leaving Certificate graduates who received National Awards in Technology and Engineering. The Board extended its thanks to their parents and teachers for their support in achieving these outstanding accomplishments.

5. Reports from Stakeholder Groups

The Board noted the reports presented by both the Student Council and the Parents' Association. The Board expressed its gratitude for the continued dedication and valuable contributions of these stakeholder groups to the life of Lucan Community College
